the reasons therefor should also be mentioned. Policy should contain stipulation of a cut off date not exceeding six months for review of performance of the loan. These directions have come into effect from 31 st March, 2002. Thus RBI by the above stipulation has brought call and demand loans extended by NBFCs too under the ambit of its Prudential Norms Directions. NBFCs have been further advised that the concept of'Past Due' contained in the Bank's Prudential Norms Directions stand abolished with effect from Balance Sheet as on March 31,2003.

(c) and (d) The periodical inspection of NBFCs by the Reserve Bank of India revealed that some of them were not complying with the Prudential Norms Directions relating to NPAs, such as asset classification, income recognition and provisioning. These deficiencies are advised to the erring NBFCs through a supervisory letter and their compliance obtained. Action is initiated against the recalcitrant NBFCs by issuing show cause notice for cancellation of their Certificate of Registration.

(e) A comprehensive regulatory and supervisory mechanism for Non-Banking Financial Companies has been put in place by the Reserve Bank of India under the powers derived from the Reserve Bank of India Act, 1934 with a view to ensuring that they function on sound and healthy lines and to provide reasonable protection of the interest of depositors. This mechanism involves (a) on-site inspection of NBFCs, (b) off-site monitoring of NBFCs through periodic control returns from NBFCs using the state-of-art information technology, (c) an effective market intelligence work and (d) a system of submission of exception reports by auditors of NBFCs. The regulatory framework also includes, *inter-alia,* compulsory registration, maintenance of liquid assets, transfer of at least 20% of net profit to reserve fund and empowering RBI to issue directions to NBFCs. RBI takes various actions against errant NBFCs for various defaults and contravention of provisions of the RBI Act and directions issued thereunder. Government has also introduced the Financial Companies Regulation Bill, 2000 in the Lok Sabha on 13th December, 2000. The Bill has been referred to the Standing Committee on Finance by the Hon'ble Speaker, Lok Sabha.
